TO WHOM IT MAY CONCERN

This is to certify that Peiniger International Company worked as the Subcontractor to Encorp International, Inc. on F-16 Project in Helwan for U.S. Corps of Engineers.

During the duration of the project which was one year, Peiniger International Company had performed satisfactory work and its response and flexibility were extremely satisfactory to meet the requirements of very demanding client.

Eng. Amr Rifai, P.E.
F-16 Project Manager
