To Whom It May Concern

This is to certify that ThyssenKrupp Xervon Egypt has completed its scope of works (i.e sprayed fireproofing materials over steel structure, anti-acid flooring materials and decorative finishing process) successfully complying to our HSE regulations under our supervision and contract of the Cairo International Airport (TB3/03) Terminal 3 Construction Project. Moreover, their workforce has been respectful of the site rules and HSE regulations

This letter is written upon their request without any liability to our company.

Best Regards

Baris Tumok
Deputy HSSSE Manager
